Criminal Mischief of Downtown Food Cart

On Monday, October 15, the Eugene Police learned of criminal mischief that had occurred sometime over the weekend to the Food Cart business Wrap City, located in the Broadway Plaza. The owner who operates the cart from Monday thru Friday returned Monday morning to find her tent damaged and the power to the cart had been pulled out of the locked power supply box causing damage to the electrical cords. The loss of power caused the food that is normally left inside the cart to spoil and Wrap City was unable to operate on Monday while the repairs and food replacement took place.

Eugene Police are asking anyone who may have information about the damage to contact the Eugene Police tip line at 541.682.8888.
